Division of Local Government and School Accountability

Dear Town Supervisor Moore:

The Office of the State Comptroller uses the Fiscal Stress Monitoring System to examine the annual financial information reported by your local government. This analysis provides an objective assessment of the fiscal challenges facing individual local governments and school districts, identifying situations where corrective action may be needed.

This letter is to notify you that as of August 30, 2019, our review of the 2018 Annual Update Document (AUD) for your local government has been completed. Detailed information about your local government's fiscal stress condition is available on our website by using the user name and password above.

Your local government's fiscal stress scores and designations are summarized below:

<u>FYE</u>	<u>Fiscal Stress</u>		<u>Environmental Stress</u>	
	<u>Score</u>	<u>Designation</u>	<u>Score</u>	<u>Designation</u>
<u>2016</u>	<u>3.3</u>	<u>No Designation</u>	<u>23.3</u>	<u>No Designation</u>
<u>2017</u>	<u>0.0</u>	<u>No Designation</u>	<u>26.7</u>	<u>No Designation</u>
<u>2018</u>	<u>0.0</u>	<u>No Designation</u>	<u>23.3</u>	<u>No Designation</u>

We recently conducted a webinar to help local government officials understand how to interpret their scores and to prepare for public inquiries and media reaction. If you were unable to participate in the live webinar, you may view it here. We also have additional tools available that you may find useful.

Scores for all calendar fiscal year end local governments will be released to the public in the near future and you may receive questions about your score/designation as well as any notable changes and trends.

More information about the System in general is available on our website. Please contact our Data Management Unit at 866-321-8503, option 4 with any questions.
